**DETAILED ACTION**  
**REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance:

Dr. Bodo Richter's Declaration of May 22, 2008 has shown that the catalyst composition prepared by the preparation process with the specified sequence of mixing the reactants of the instant claims provides superior activity and produces olefin polymers with improved morphology compared to the process demonstrated in Lynch et al. (US 6,759,361) cited in the rejections in the previous Office Action. Therefore, the rejections of the previous Office Action are withdrawn and the instant claims are now in the condition for allowance.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Caixia Lu whose telephone number is (571) 272-1106. The examiner can normally be reached on 9:00 a.m. to 5:30 p.m..
